

Westlake High School 2020 Commencement FAQ's

Q: When can my student pick up their cap and gown?

A: Caps and gowns will be available for pick-up in the Chap Court during both lunches in mid-May. The actual date will be announced once it is confirmed. Students are encouraged to hang their gowns up once bringing them home, to help remove the wrinkles from packaging.

Q: Can we decorate the cap and/or gown?

A: We request that students do NOT decorate their cap and gown, as they will be switched out for a new cap. We strive for a clean and uniform look among the graduates. The only accessories or additions allowed to the standard cap and gown is the school issued honor cords. No decorated caps, flower/leis, pins, etc. should be added to the graduation regalia.

Q: When can my student pick up their honor cord(s)?

A: Chaps In Service honor cords will be handed out in the AP Office, the actual date will be announced once it is confirmed in early May. Students earning/ordering/receiving honor cords from specific organizations and/or departments will need to coordinate with that group's respective sponsor/director regarding their honor cord.
